Student Life

“Headed for Mexico”

by Jeremy See

This year, Route 77 high school students will be going on a missions trip to Zacatecas, Mexico, which is located deep in central Mexico. This is the site where missionaries Rey and Liz Sanchez are working, along with Lowell and Sherry Glick, and other missionary teams. We will be helping them meet any needs that they have. The dates that we are going are July 26 through August 6. The overall cost will be around 1,000 dollars (or 10,000 pesos), but with support letters and fundraisers, that cost will be brought down significantly.

This is a great opportunity for New Life's high school students to experience God like never before. To spread God's grace in other countries of

the world is like no other experience. We'll be able to witness first-hand how God works in foreign places, just like He works at home. God always has a way of sending His disciples to where He wants them. Thanks, and God Bless! Matthew 28:18

Student Life Mexico Missions

“Car Wash Fundraiser”

On Saturday, June 5 the members from the Mexico Mission trip had a car wash fundraiser. Although the weather was not the greatest, this did not stop the 17 individuals from washing cars for Jesus. Apparently it did not stop others from getting their car washed as well. By the end of the day, the team had made over \$450 towards their mission trip to Mexico. When asking Katie Taylor, one of the workers that day, what her favorite part of the day was she said, “I really liked holding the signs (car wash signs), because you don't have to be embarrassed when jumping around.” She also said, “It was really great people were really motivated to wash cars.”

At the end of the day, it was both a fun and rewarding fundraiser for the Mexico mission group
